AIMS

- To provide a safe and friendly place which is available to the community.
- To identify and respond to the needs of the community.
- To reduce social isolation of individuals and groups in the community.

OBJECTIVES

- To provide services and activities which are available to the local community free of discrimination, where quality childcare is provided if needed.
- To be aware of and sensitive to the cultural diversity within our community.
- To provide a welcoming atmosphere where people can develop friendships and support networks.
- To provide a place where people can have fun, learn, and share skills and ideas.
- To provide a wide range of services which include recreational, educational, self- help, and support programs, which reflect the needs of the community.
- To encourage people to work together in taking action in issues that affect them.
- To encourage and actively support participation in decision making on the basis that everyone has valuable skills and knowledge.
- To encourage the empowerment of individuals and groups through the provision of resources, services and support. Where appropriate, information should be translated into relevant community languages.
